Prospect League Announces Opening Day 2011

(Bartlett, TN) Following the annual Fall Directors Meetings, The Prospect League, a college wood bat summer league, announces Opening Day, 2011 will be June 2. Keeping with League tradition, the first Thursday of June will once again be Opening Day. The 2011 regular season schedule will conclude Saturday, August 6. The 2011 post-season schedule will begin August 8 and conclude with the Championship Game August 12.

The traditional mid-season All-Star Game is scheduled for Wednesday, July 13 and will be hosted by the West Virginia Miners (Beckley, WV) at Linda K. Epling Stadium.

The Fall Directors Meetings were held in conjunction with Minor League Baseball's annual Promo Seminar held in Las Vegas this year. Many Prospect League team officials stayed in Vegas to attend the Seminar and all came away with many ideas on marketing, promotions and ticket sales and a renewed energy for developing new ideas for the 2011 season.

The Prospect League will be announcing the full 56 game 2011 schedule in November. A new post-season will also be announced this winter.
